

Laser Dimension Master 3300

with Laser Pointer

Used by : Real Estate Agents / Brokers, Contractors / Builders, Interior Designers, Remodelers, Estimators, Do-It-Yourselfers -- Anyone Who Takes Interior or Room Measurements

Forget the cumbersome tape measure! Use the Laser Dimension Master to measure interior distances with the press of a button!

Just aim & shoot to get an instant digital readout. Measure with 99% accuracy up to 15.2 metres.

Carry it in your pocket or briefcase, in the office or out in the field.

- Take room measurements at the speed of sound!
- Built-in laser pointer to help you see exactly where you're measuring!
- 99% accurate from 0.6 - 15.2 m
- Easy-to-read display
- Simple to use--just point & shoot!
- **Two-position measuring head – the top swivels to 90 deg**
- Pocket-size and durable
- U.S. Patent No. 4,975,889
- Ultrasonic Sensor by Polaroid

Includes:

- User's Guide
- Protective Soft PVC Case
- Long-Life Battery

The Laser Dimension Master helps you:

- Take Instant Measurements
- Measure Accurately & Easily
- Save Time, Improve Productivity
- Impress Your Clients

Use the Laser Dimension Master to measure distances up to 15 m quickly & accurately. You no longer have to lay out a tape measure. Just point the laser at the wall you are aiming at, press a button, and the display will read the distance!

What it does

- **Take Interior Room Measurements at the Speed of Sound!** : It uses a narrow ultrasonic beam to measure at the speed of sound; this permits convenient measuring even in areas where furniture or fixtures are present.
- **Quickly Measure Lengths or Square Meterage** : Just point and shoot the length of a room. Or, record your length measurement, measure the width and multiply L x W for the room's area.
- **Built-In Laser Pointer** : Lets you see exactly where you're measuring. You can even use it for presentations.
- **Fast & Accurate** : Measure from 0.6 m up to 15.2 m indoors with 99% accuracy.
- **Simple to Use** : Just aim and press a button! When the unit beeps, you've got a measurement.
- **Versatile & Convenient** : Unique two-position measuring head allows dual-position use, depending on your preference and measuring situation.
- **Pocket-size and Durable** : Carry it with you while you're visiting clients; has a maintenance-free construction.
- **Compensates for its Own Size** : Automatically takes unit depth size into consideration when calculating distance for greatest accuracy.

Product Specifications

Accuracy:	99% measuring accuracy over measuring range; 10 digit internal accuracy		
Measurement Verification :	Automatically verifies measurement with built-in error-checking.		
Power:	Measuring Batteries: 2 lithium (CR-2032) batteries (included) Laser Battery: 3 LR44 (included)		
Measuring Range:	0.6-15.2m	Warranty:	1-Year Limited Warranty
Size:	127 x 46 x 20 mm	Case:	Protective PVC case with belt loop strap
Product Weight :	85 g (product only with battery)	Operating Temperature:	4-38 deg. C
Bat. Life:	Approx. 70,000 measurements	Display Type:	LCD segment; 4 digits
Laser Bat. Life:	Approx. 3,600 measurements	Display Dimensions:	14 x 25 mm
Auto Shut-off:	6 sec.
