Looking ahead at 2015 Night of Comedy Fun

55 Years!

The warm and inviting foyer to the Ballroom offers great branding opportunities as guests arrive, enjoy a welcome drink and relaxed conversation.

The Ballroom is large and airy, with cozy chandeliers, plenty of branding space and lots of room to move freely and engage in conversation and laughter during our Comedy Fun themed event. Large alcoves on either side of the stage provide for further branding opportunities and displays. Our sponsors will get maximum benefit of available spaces.

The photo booth will be in an area to one side of the Gala Dinner where you and your guests can unleash your creative side and create souvenirs of the occasion. Photo Booth and photo branding opportunity.
